Subject: Upcoming Vote on Media Deregulation

Date: May 2, 2003

Dear Chairman Powell:

Further consolidation of the media in the name of "deregulation" must be halted. The media companies have failed in their public trust to provide unbiased information about most crucial issues, most notably the recent coverage of the war in Iraq.

As an American concerned about our democracy, I call on you to challenge the media conglomerates, to open the broadcast spectrum to a diverse range of journalists and opinions, and to reinstate the Fairness Doctrine. Oppose media deregulation.

Sincerely,

*F. Mark Hallahan*

Subject: Upcoming Vote on Media Deregulation

Date: May 2, 2003

Dear Chairman Powell:

Further consolidation of the media in the name of "deregulation" must be halted. The media companies have failed in their public trust to provide unbiased information about most crucial issues, most notably the recent coverage of the war in Iraq.

As an American concerned about our democracy, I call on you to challenge the media conglomerates, to open the broadcast spectrum to a diverse range of journalists and opinions, and to reinstate the Fairness Doctrine. Oppose media deregulation.

Sincerely,   
Christopher H. Brown

Dear Mr. Powell:

I urge you *not* to relax the broadcast ownership rules that protect American citizens from media monopolies.

These proposed changes would pave the way for giant media conglomerates to gain near-total control of radio and television news and information in communities across our nation. And many of the corporations that are now lobbying the FCC to relax these ownership rules already have a known track record in attempting to keep opposing viewpoints off the air.

The American people deserve to hear more than one point of view on important issues. Therefore, for the sake of our democracy and our freedom, I urge you to continue the broadcast ownership protections that, for decades, have helped to ensure a healthy political debate in our country.

Sincerely,

Mr. Ted L. Wehling
